As you view and discuss this Video series, you'll gain the practical understanding, dynamic biblical principles, and encouragement you need to shape your child's will without breaking his or her spirit, and feel confident in your ability to handle discipline in a positive way.

Celebration of Discipline

Hailed by many as the best modern book in Christian spirituality and described by *Christianity Today* as one of the best ten books of the Twentieth century, *Celebration of Discipline* explores the "classic disciplines" or central spiritual practices that the true path to spiritual growth can be found.
